Books and Book Series:

- **The Original Homeschooling Series** by Charlotte Mason - There is no substitute for Miss Mason's own thoughts and very practical insight. Start with Volume 6 for a wonderful overview of philosophy and method and you'll be starting with a fantastic perspective - the big picture. From there, work your way forward starting with Volume 1. Simply Charlotte Mason has reprinted from the originals beautifully!
- **Books by Karen Glass** - Karen is an original member of the Advisory Board of Ambleside Online, and has assembled much research, experience, and knowledge of Charlotte Mason over her many years of reading and teaching. She shares in a way that is encouraging and accessible. Her books are worthy investments for any Charlotte Mason home educator.

 - [Know and Tell: The Art of Narration](#)
 - [Mind to Mind: An Essay Towards a Philosophy of Education](#)
- **A Charlotte Mason Education** by Catherine Levison - Catherine Levison's books are my favorite books for summarizing and communicating Charlotte Mason's methods and ideas with enough meat to hit the ground running.
- **More Charlotte Mason Education** by Catherine Levison - my favorite book for illustrating Charlotte Mason in high school years and a great follow-up to her first book!
- **A Literary Education** by Catherine Levison - A fantastic starting place for building a home library and booklists.
- **When Children Love to Learn** by Elaine Cooper - Another very good summary book of Charlotte Mason philosophy and method. There are some excellent articles here!
- **For the Children's Sake** by Susan Schaefer Macauley
- **Charlotte Mason Companion** by Karen Andreola

Online Resources:

- [Ambleside Schools International \(ASI\) Videos](#) - ASI offers wonderful resources and instruction to private schools making use of Charlotte Mason's methods, as well as to home educators. Note that there are 3 Introductory videos to view (free online), and there are a total of 18 chapter/videos available (free online) as well. Excellent and inspiring Charlotte Mason instruction and insight! (<http://www.amblesideschools.com/main/video/introduction>)
- [Simply Charlotte Mason](#) for resources and DVD seminars that aid in the practical application. There are many Charlotte Mason tools and resources here for getting started and staying focused. Many are available through their bookstore, while others are free. (www.simplycharlottesmason.com/)
